

SYBASE, INC. TRADEMARKS

(Effective November 3, 2011)

The following list sets forth certain of the trademarks used by Sybase, Inc. or its affiliates. This list is subject to change at any time. Applications for registration for many of these marks are pending and may become registered marks in the near future. TM or ® indicates current US status. Some marks, not registered yet in the US, may already be registered in foreign countries. **Bold** indicates a “core” mark. If you have any questions regarding the current form of any mark please call Scott Zimmerman at (978) 287-1604

This update includes:

Obsolete:

Corrections:

Additions: Multi-Path ReplicationTM

NOTES

Please note: This trademark list covers only Sybase trademarks. It does not reflect any third party trademarks that Sybase may be required to include in a product or its documentation as a result of a license agreement with a software supplier. Please check with the appropriate product manager for any third party trademark requirements.

NAME CHANGES

Sybase®IQ from Adaptive Server®IQ (8/04)
